

CERTIFICATION REGARDING CERTAIN TELECOMMUNICATIONS OR VIDEO EQUIPMENT / SERVICES

Section 889(a)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits any U.S. Government contractor, including Huntington Ingalls Incorporated (HII), from using or providing to the Government any equipment, system, or service that uses *covered telecommunications equipment or services*, as more specifically described in Federal Acquisition Regulation clause 52.204-25, “Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment,” available at https://acquisition.gov/content/part-52-solicitation-provisions-and-contract-clauses#unique_1968408723.

Covered telecommunications equipment or services means–

- (1) Telecommunications equipment produced by **Huawei Technologies Company** or **ZTE Corporation** (or any subsidiary or affiliate of such entities);
- (2) Video surveillance and telecommunications equipment produced by **Hytera Communications Corporation**, **Hangzhou Hikvision Digital Technology Company**, or **Dahua Technology Company** (or any subsidiary or affiliate of such entities);
- (3) Telecommunications or video surveillance services provided by such entities or using such equipment; or
- (4) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of the **People’s Republic of China**.

CERTIFICATION

By the signature of its authorized representative below, Seller-offeror certifies that it has conducted a reasonable inquiry both internally and of its supply chain to determine that any product or service it delivers or provides to HII

_____ **will not contain** or rely on any *covered telecommunications equipment or services*.

_____ **will contain** or rely on one or more *covered telecommunications equipment or services*.

If you checked “will contain” above, provide the following additional information to HII when submitting this form:

- (1) A description of all *covered telecommunications equipment and services* (include brand; model number, such as original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable);
- (2) Explanation of the proposed use of covered telecommunications equipment and services and any factors relevant to determining if such use would be subject to any exceptions to prohibition in FAR 52.204-25;
- (3) For services, the entity providing the covered telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known); and
- (4) For equipment, the entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

If Seller-Offeror subsequently identifies any *covered telecommunications equipment and services* that has been or will be provided to HII after submitting this certification, Seller-Offeror agrees to notify HII within one business day.
